11TH INTERNATIONAL RESEARCH/EXPERT CONFERENCE

"TRENDS IN THE DEVELOPMENT OF MACHINERY
AND ASSOCIATED TECHNOLOGY"

TMT 2007

Hammamet

CALL FOR PAPERS

The Organizing Committee invites authors and participants to submit paper title and abstract (max. 20 typewritten lines, in English language), not later than Mart 1st 2007, addressed to the organizer. **Please, notify the topic in which your article will be placed.** The official language of the Conference is English.

All papers accepted by reviewers will be printed in the Conference Proceedings only if registration fee is paid before July 15th 2007. Papers can be presented orally or in poster session. The authors are kindly asked to inform organizer about their choice for presentation. The Organizers take responsibility for printing all posters. Additional fee for printing posters is 20 EUR.

Selected and expanded papers **orally presented** at the Conference will be considered for publication in the **Journal of Machining Science and Technology** (Marcel Dekker, Inc.) or **Journal of Mechanical Engineering** (University of Ljubljana and University of Maribor, Slovenia) as full-length research papers after reviewing and appropriate revisions.

Number of papers written by one author, that can be published in TMT 2007 Proceedings has been limited on **three** papers maximally.

MAIN TOPICS

1. MANUFACTURING TECHNOLOGIES AND MATERIALS

Assembly and Disassembly; Machining, Nonconventional Machining, Tools, High Speed Machining; Dry Cutting, MQL Machining, High Performance Machining, Rapid Prototyping, Manufacturing Processes, Welding Processes; Plastic Forming Processes; Materials; Engineering of Polymers; Powder Metallurgy; Measuring; Thin & Thick Coatings; Surface Engineering; Molding Processes; CAM technologies; ...other subtopics

2. INDUSTRIAL ENGINEERING

Diagnostic; Expert Systems; Autonomous Systems; Environmental Design; Reengineering; Knowledge Based Systems; Robot Applications; Mobile Robots; Optimizations, Reliability, Safety, Production Systems, Agile Manufacturing, Concurrent Manufacturing; Control, Flexible Manufacturing Systems; Hybrid Manufacturing Systems; CAP technologies; CIM technologies; Knowledge Management, Project Management, Production Management Systems, Quality Management, TQM, Maintenance, Nondestructive Testing, Operational Research Applications in Production, Scheduling, Supply Chain Management, Logistics, ...other subtopics

3. APPLIED TECHNOLOGIES AND SOFTWARE ENGINEERING

Software Engineering Applications, Sensors; Industrial Robots; Microrobotics; Programming; Simulations, Virtual Manufacturing; Industrial Automation; Hardware & Software; Networking; Neural Network; Artificial Intelligence, ...other subtopics

4. MECHANICAL CONSTRUCTIONS & DESIGN

Design and Construction; Design Automation; Robots-Kinematics, Dynamics; Mechanism; Numerical Methods; Optimal Design, Tolerance Analysis; CAD technologies; Environmental Design, ...other subtopics

5. OTHER ENGINEERING TOPICS

Electrical Engineering, Signal Processing, Micromachining, Fluid Mechanics, Power Systems, Mechatronic, Energetic; Ecology, Environmental Engineering, Engineering Education Systems, Optimizations, Resources, ...other subtopics

CONFERENCE FEE

The conference fees for authors and participants are:

✍ 150,00 EUR (oral presentation)

✍ 170,00 EUR (poster presentation)

The conference fee includes the following: a copy of conference proceedings and accompanying materials, admission to all sessions and presentations, refreshments, welcome drink, gala dinner

CONFERENCE DATE AND VENUE

The Conference will take place at the *La Hammamet* hotel, city Hammamet, Tunisia, from 5-9 September 2007.

Thanks to its marvelous place, Hammamet becomes the best touristic refuge par excellence. It is swimming station n°1 in Tunisia. Hammamet is well-known for its magnificent gulf its ramparts and its fort. Its exceptional sunshine and the warm weather attracts countless numbers of tourists.

The Hammamet Hotel (4 stars, 674 beds) is located in the enchanting surrounding of Hammamet, near the sea. It is located an hour from Tunis-Carthage airport and an hour and a half from Monastir airport. The hotel is very close to the city center and to the two outstanding golf courses: Yasmine Golf and Golf Citrus and a five-minute-walk from the international cultural center, the meeting place of thinkers and artists from all over the world.

It is settled in the heart of a garden planted with trees, where the luxurious verdure box or the bougainvillea, palm trees, lemon trees, the olive trees and exotic flowers fascinate you. More details can be found on hotel web site: <http://www.lehammamet.com/ang/presentation.php>
